

Trek Parts

Trek Parts - TREK Cleaning Machines is a maker of cleaning machinery. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have over sixty years of experience successfully developing, marketing, manufacturing, designing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are committed to offering new design concepts and top quality so as to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines always offers fresh design ideas. They like offering items which energize both their partners and their dealers and provide production gains to their clients.

The team at TREK likes dealing with new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the comprehension of operators' needs and skills combined with their comprehension of cleaning applications, together with owners' strong desire to significantly lower expense through productivity gains.

The employees at TREK and their dealer-partners are strongly dedicated to having both parts and technical support obtainable when it is needed. Their high service devotion is one of the core values in their customer service. Keeping their clients' cleaning equipment ready and functioning on a daily basis is top priority. The company's top of the line technology delivers dependable equipment which ultimately reduces your cost of cleaning. The service, the product and the price all work together to make them the leader in the industry.
