

American Lincoln Part

American Lincoln Part - Currently connected with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. Within the business they are known in the industry as providing strong and durable machines that satisfies the requirements of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind version of floor scrubber. Clark has their production facilities in Springdale Arkansas. These scrubbers are on the market under the trade mark name "Encore". American Lincoln has the ability to supply machines, components and warranty service for these types of scrubbers which carry both the Clarke and Encore logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for numerous facility managers where results and efficiency make a difference. Recently, this floor scrubber model has been utilized by the architects in new construction jobs like for example Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this particular sweeper scrubber on location due to the model's excellent quality and supreme performance level for polishing concrete.
