

Nissan Forklift Part

Nissan Forklift Part - Nissan prides itself on attaining overall consumer satisfaction when their customer is enjoying one of their many trucks, cars or forklifts. Nissan Forklift branch is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to providing high value and meticulous quality values to their clients. Incorporating a prosperous heritage combined with strong processing principals, Nissan Forklifts offer a few of the finest materials handling equipment the industry has to offer.

In order to meet the worldwide requirements of their assorted customer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to providing customer support, the company has four independent manufacturing facilities that permit them to continually adapt to their customers continually evolving needs by providing a range of progressive ideas and designs.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a staff of 350 personnel, they are dedicated to the design, manufacture, and support of their forklift products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this enables sectors of the Nissan Forklift Operation to sustain environmental responsibility by using techniques and procedures that minimize their environmental footprint. These high values remind consumers that Nissan operates under the quality seal that their clients insist upon while being an environmentally conscious company.

Nissan is fairly convinced that any of their clients questions and customer concerns directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, contacting one of their locally sanctioned sellers or even visiting their Midwestern office, Nissan Forklift Corporation is confident you will be impressed with their hospitality and commitment.
